### **DETAILED ACTION**

1. Applicant's communication filed on October 6, 2004 has been carefully studied by the Examiner. The arguments advanced therein are persuasive and the rejections based upon prior art made of record in the previous Office Action are withdrawn. Claims 1-15 are pending.

#### ***Allowable Subject Matter***

2. Claims 1-15 are allowed.

3. The following is an examiner's statement of reasons for allowance: the claims are allowable for the reasons stated in Applicant's response filed October 6, 2004 and also for the reasons made of record in the Office action dated September 9, 2004. As correctly noted by the Applicant, curve 66 of Bhagavatula represents the waveguide dispersion of the fiber, and not the chromatic dispersion. Bhagavatula does not disclose or suggest a chromatic dispersion of the fiber to be within the claimed range. Therefore, Bhagavatula does not render obvious the invention of claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
